

Green Valley School IGCSE Department fosters the British IGCSE certificate with the aim to offer the highest level of educational system.

We offer a very high standard of education, that is board-based, yet tailored to meet the student's individual needs. High caliber teachers, who are very well qualified, trained and experienced, are dedicated to the promotion of high quality learning at The Green Valley School IGCSE department

Steps for Applying at IGCSE stage (starting PreIG till Year 11)

1. Check the school calendar for Admissions opening dates
2. Fill the application form and submit during the Admissions opening period.
3. Once completed and submitted, you will receive a confirmation email.
4. Upon space availability, IGCSE Admissions office will then schedule an assessment appointment for student and an initial parents' interview date with parents and student.
 - a. Assessment is basically in English and Maths.
 - b. German assessment takes place if the student has been studying German in the past years of education.
 - c. A record of the student's previous scores is mandatory to submit during the interview.
5. An official email will be sent to inform parents with the application status.
6. In the event that the student is accepted to join GVS, parents will be informed of further details regarding completion of the enrollment process.
 - a. Year 10 and 11 students will be requested to fill in the subject selection form for the subjects they wish to register for (list of GVS subjects' list and teaching staff - below)
