German Night **Shimmering Light**

Dear Parents,

It gives us great pleasure to invite all GVS families and friends to join the German Night Celebration on **Thursday 24th November 2022** at 6:00 p.m. at the school's Sports Arena.

The German Night celebration has long been an important part of the GVS spirit, experience and memory. Students spend time and effort in preparation for this event and this is the time when they shine not only in mastering their German language skills, but also in perfecting their awareness of German culture and traditions.

The event will commence with the lantern parade where students sing their Laterne songs while carrying their handcrafted lanterns. The musical play "Das Dreifarben Land" will be presented next. With the concluding dance at the end of the play, the festival will begin. We strongly urge you to visit each of the extraordinarily exciting booths.
