All applications made to GVS are considered on an individual basis. The Admissions Department studies all applications to make sure admission criteria have been met. In that case, an appointment will be scheduled for the student's admission assessment followed by a parents' interview, after which the results will be communicated with parents via email.

Applicants meeting admission criteria will be hearing back from us at these times:

KG	November 2024
Primary	December 2024
Preschool	March 2025

We believe in each and every child, yet we believe in our school vision and mission which speak clearly about the GVS community's beliefs, values and aims. Therefore, admission result decisions are made to the best benefit of each and every applicant.

Thank you for your interest in GVS and for entrusting us with giving your child a high quality of trilingual education.

We look forward to welcoming your child to GVS.

Thank you and best regards,

School Management
